

CALLING ALL YOUNG SCIENTISTS!

Hornung Elementary Science Fair is coming up on **Tuesday, April 17th** from 8:00am – 4:00pm in the multipurpose room. This is a FUN opportunity to do a science project and present it to your family and friends! Students will choose their own projects, complete them at home (parents can be assistants), and create a visual display to share with parents, teachers, and friends. Students can work alone or with a partner.

Registration is required to assure sufficient space for all projects. Please register online at: <http://hornungelementarymi.oursciencefair.com>

Registration is due NO LATER THAN Friday, April 13th.

Project Display Details:

The display board must have student name, grade and teacher visible.

The display must be designed to fit on a table and be no more than **28" deep, 36" (3 ft.) wide, and 36" (3 ft.) high from the tabletop**. Larger projects will not be accepted.

No use of electricity without permission of Science Fair coordinator (limited space available).

No live animals.

No food samples may be handed out.

Additional information including the detailed general rules, tips on choosing a fun project, and creating a display can be found at the registration page:
